

INAUGURAL JUNIOR TRIP TO NORTHERN CALIFORNIA

April 2- April 5, 2024

OBJECTIVE

The purpose of this educational trip is to expose our junior class to the universities Northern California has to offer. This is in preparation of deciding which universities to apply to during the fall semester of their senior year. Please sign up your student by February 14th <https://bit.ly/3Om5Smb>

REQUIREMENTS

Because the nature this trip coincides with applying to college, the cadets attending this trip should be A-G eligible, meaning they meet the requirements needed to apply to a public university in California (A-G, requirements). For more information on A-G requirements please visit the SJLA counseling website. <https://bit.ly/3vVZJqo>

FUNDRAISING AND COST

The cost of a three night stay, including food and admission to Alcatraz is estimated at \$450/cadet. SJUSD is subsidizing transportation. Fundraising opportunities will be available during the month of February and March in anticipation of lowering the cost of the trip for families. There will be a chocolate bar sale and crowd funding donations can be made specifically to your cadet's account. The hotel rooms are quadruple occupancy. A list of cadets attending will be released and students can sign up for who they would prefer to room with. Their preference will be accommodated to the best of our ability. All permission slips, payment and funds for this trip are due by: **March 18, 2024**
